Director

*"A Nationally
Accredited Agency"*

Letter From The Director

Dear Friends of KC Parks,

In 1892, the City Charter authorized the mayor to establish a Board of Parks and Boulevards Commissioners and appoint its five members. Since that time, over 100 public-spirited citizens have served the city as commissioners and have always believed that advancing the parks and boulevards system would increase commerce by attracting families and businesses to settle in Kansas City, Missouri. They were right more than a century ago and still are today.

The legacy began when the Park Board hired landscape architect George E. Kessler to design our system. Mr. Kessler's plan of 1893 included a handful of parks connected by a few boulevards. Those modest beginnings have grown to a 12,000+ acre system encompassing over 200 parks and 100 miles of parkways and boulevards that tie communities together. Today the City of Fountains boasts 47 fountains as well as 135 monuments & artworks.

Our historic system continued to develop and evolve as the vision of parks changed from simply providing natural environments where residents could escape the hustle and bustle of city life to offering recreational opportunities that include playgrounds, aquatic facilities, various sports fields, golf & disc golf courses, and community centers. Throughout the years we have added the Kansas City Zoo, the Liberty Memorial, and quite a few museums.

Although the system has grown immensely, we still stay true to Mr. Kessler's original framework and intention. As a result, "The Kansas City Parks and Boulevards Historic District" has been listed in the National Register of Historic Places for its significance in Community Planning and Development and Landscape Architecture. We are so very fortunate to our founders for creating a "City within a Park" to provide us with so much beautiful green space.

In recent years, to build more equity in our parks system, KC Parks created a 4th District, QLID, adding to our North, Central, and South Districts. The QLID (Quality of Life District) was formed after internal audits showed the parks in some of our zip codes scored consistently worse than parks in other zip codes. This new district is now a one-stop shop that includes forestry, park maintenance, and landscaping staff to tackle all a park's needs. KC Parks goal is to have all parks meet high standards for everyone to enjoy their neighborhood park.

This Reference Book contains information about our amenities and more. Included are listings for all Parks & Recreation owned and operated facilities and parkland within Kansas City, Missouri's six (6) Council Districts.

We are grateful for everyone's support and look forward to a bright future.

Sincerely,

Christopher Cotten, Director

INTRODUCTION AND LAND DESCRIPTIONS

The purpose of this book is to provide the user with a current inventory and summary of park properties, boulevards, parkways, landmarks, recreation and park service facilities, and current and former Commissioners & Directors.

Each **Park** listed in this book has the appropriate council district or districts identified, the park management region where it is located, and the park acreage. The park acreage will be suffixed with a lower case letter if the acreage is leased by the Board of Parks and Recreation Commissioners or owned by another City department or agency.

Each **Roadway** listed in this book has the appropriate council district or districts identified, the park management region where it is located, and the roadway mileage.

Council Districts are 1, 2, 3, 4, 5, & 6 - See map on page 157

Park Management Districts are North, Central, Quality of Life (QLID), and South - See map on page 183

Park example shown below.

Park Name: **KESSLER PARK, GEORGE E**

Council District: **(3,4)**

Management Region: **Central**

Year Property Acquired: **1895***

An asterisk * next to the year indicates that the park has been renamed/rededicated.

Acreage: **303.51 & 3.7b**

b = Non-Park - Land owned by another City department but maintained or partially maintained by the Board of Parks and Recreation Commissioners.

c = Leased - Land owned by other agencies that has been leased by the Board of Parks and Recreation Commissioners.

Road example shown below.

Roadway Name: **BROOKSIDE BOULEVARD**

Council District: **(6)**

Management Region: **South**

Roadway Mileage: **2.16**

LAND ACQUISITION METHODS

Parks, parkways, and boulevards or additions thereto may be acquired by any of the following methods.

1. GIFTS: An individual or corporate donor may claim a tax deduction for any gift to a municipality. The donor should consult his/her tax adviser for a determination.

2. PURCHASE: The City, through the Board of Parks and Recreation Commissioners, generally acquires fee simple titles and recognizes easements which are in existence at the time of purchase.

3. CONDEMNATION: The City Council, acting upon recommendation by the Board of Parks and Recreation Commissioners, has authority to condemn land for parks, parkways, and boulevards. In the case of acquisition by the benefit district assessment method, condemnation procedures must be followed.

4. TRANSFER: City-owned property other than parks, parkways, or boulevards may be ordered transferred to some other public use by a two-thirds vote of the City Council.

5. DEVELOPER'S ALLOTMENT: The dedication of park land by subdivision plat according to Section 88-405-17, Parkland Dedication, as adopted on May 21, 2009.

6. COOPERATIVE AGREEMENT: City-owned property other than parks, parkways, or boulevards that may be used for parks and recreation use by lease agreement or by memorandum of understanding.

Land, once it is acquired and dedicated for park, parkway, and boulevard purposes, cannot be converted to other uses or sold except by a vote of the people in accordance with Section 1004 of the Kansas City, Missouri, City Charter.

Number of Fields: asterisk * = Denotes fields under long term agreement

Field permits are required for all organized play or practice. Having a permit/reservation guarantees the permit holder exclusive use of the field, complex, or tennis court during the date(s) and time(s) reserved and assists with timely field/court maintenance. For reservations visit www.kcparks.org/athletics or call (816) 513-7500.

COMMISSIONERS

The 1889 Charter of Kansas City, Article X "Parks", identified the "Board of Park Commissioners". Those original commissioners included the following: George R. Barse, George E. Holmes, Harris Lipscomb, John P. O'Neil, and the Mayor of Kansas City, Benjamin Holmes.

The 1892 City Charter authorized the mayor to establish the Board of Park and Boulevard Commissioners and to appoint its five members.

In 1895, the City Charter renamed the board of commissioners to the "Board of Park Commissioners".

In 1908, the Charter was revised and the Board was reduced from five to three members. Then in 1999, the Charter was amended to again return the Board to five members.

In 1967, the name was changed to the "Board of Park and Recreation Commissioners".

These commissioners served the city as public-spirited citizens for Kansas City. They believed advancing the park and parkway system would increase commerce by attracting families and businesses to settle in Kansas City.

"Our parks will do more to increase the value of property and attract people to our city than anything else" - James K. Burnham, Park Commissioner, Kansas City Star - 1898

The Commissioners are listed by their names and dates of service. If applicable, their term as Board President is in parenthesis.

George R. Barse 1890-1892	George E. Holmes 1890-1892	Harris Lipscomb 1890-1892
