FOOTGOLF
FootGolf is a combination of the popular sports of soccer and golf. The game is played with a regulation No. 5 soccer ball at a golf course on shortened holes with 21-inch diameter cups. The rules largely correspond to golf rules. The first FootGolf course in the KC metro area is located at the current par 3 (The Rock) golf course at the Heart of America Course in Swope Park. Come out, and give it a try!
